May newsletter

In this edition, you can read about:

- Our sessions at **EU Green Week**
- The **one billion euros** our projects have mobilised
- Ten applications for **additional activities** under approval
- Our **matchmaking sessions** on demand
- The **Interreg Project Slam**
- Our new brochure on **policy learning**
- More latest news and upcoming events...

Register for EU Green Week 2021

Join us on **2 June** to exchange on [how regions can make use of new technologies for reducing pollution](#) or on **3 June** to learn about [policy solutions to stop marine litter and plastic pollution](#). You can also meet our team at the [virtual exhibition stand](#). See our programme and register! [>>>](#)

One billion euros mobilised!

Our partners have **mobilised one billion euros** for financing good practices and ideas identified by **Interreg Europe projects**. See more results. [>>>](#)

Ten applications sent for approval

Our monitoring committee is already assessing the first applications submitted under the **call for additional activities**. Follow the process. [>>>](#)

Request your matchmaking session

Get **new ideas** and **solutions** for your own challenge. **Request your matchmaking session** with European peers, organised and facilitated by our experts. [>>>](#)

Call for the Interreg Project Slam stories

We are looking for the **best stories** about the **achievements of cooperation**. Share your story and get into the Interreg Project Slam. [>>>](#)

Start your policy learning journey

Read our new brochure about the Policy Learning Platform. **Discover our tools** that can help you achieve your **regional development goals**. [>>>](#)

Did you like our publication?

In 2020, we shared our publication "[When Europe cooperates, regions benefit](#)". Take five minutes to **give us your feedback!** [>>>](#)

Featured result

European Union
European Regional
Development Fund

Every month, we highlight one **result from our projects**. This month, let's look at **RETRACE**. Discover how the project improved [access to funding for recycling and reusing of waste in Romania's North East region](#). You can read about this result and many more in our publication. [>>>](#)
